

WORDCAMP US
San Diego, CA 2022

COVID-19 Health and Safety

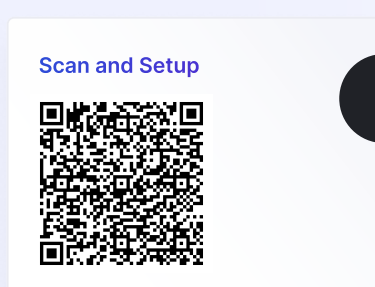

To attend, you are required to COVID-clear in advance of your arrival by providing either a Fully Completed Vaccine record or a Negative COVID-19 Rapid Antigen Test.

To facilitate this process, we have partnered with VOW Digital Health.

How VOW works

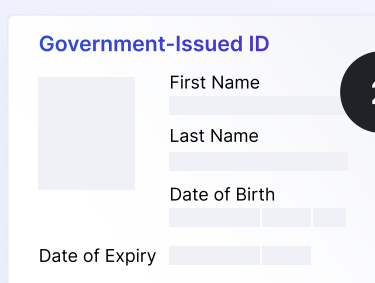

Follow these steps to COVID-Clear.

1

Setup Account

Click this [Private Link](#) from your smartphone or hover over the **QR Code** to set-up account.

2

Upload ID

Upload a photo of your **Driver's License** or **Government-Issued ID**.

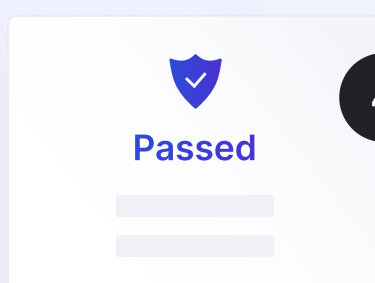

3

Upload Your Credentials

- Upload a photo of your **Fully Completed COVID-19 Vaccine Record**.

OR

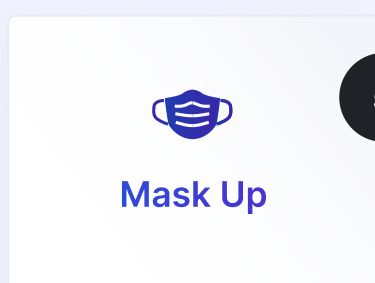

- Upload a photo of your **Negative COVID-19 Self-administered Rapid Antigen Test result** taken no earlier than Wednesday, Sep. 7.

4

Receive VOW Pass

Receive a **VOW Digital Health Access Pass** via SMS prior to Check-in time. **Your Pass will be used to check you in for the event so please have it available to show at the door.**

5

Mask Up

Masks will be required indoors at all times during the event.

FAQs

Creating VOW accounts for others?

Please follow these guidelines:

Each attendee must have their own account with the correct first and last name.

1. To set up a new account, Click on “**Account**” icon on the bottom of the page and **Logout** of your account.
2. Click on **Create an Account** and Upload ID.
3. Click on “**Add new Health Protocol**” and enter **46V-L5R**.
4. Follow required steps to COVID clear. Rinse and repeat.

What does VOW do with your info?

Data captured while on VOW Digital Health is used for the purpose of helping you set up an account and ensuring you are COVID-cleared prior to arrival. Images uploaded to VOW Digital Health will be purged after the event ends. Attendee information is not used for promotional purposes.
